On 24 October hundreds of **Christians were forced to flee Teleskuf**, a city in the Nineveh Plains in Iraq, when Kurdish Peshmerga forces moved into the town in an attempt to stop the advance of the Iraqi Army and Shi'a militia. Although the fighting has now ended, many civilians were injured. Please pray for protection for Christians and other religious minorities in Iraq, and for them being able eventually to return to their homes. Pray for an end to suspicion and mistrust between religious and ethnic minorities in Iraq.
