## **But don't forget Saturday!**

Saturday 19<sup>th</sup> April 10am St. Andrew's Spring Clean

Does anyone actually do spring cleaning at home any more?  
Well it's still in fashion at St. Andrew's:  
Come all and make the church sparkle!

## **And finally**

The annoying alarm that went off towards the end of last Sunday's service was actually warning us of high levels of carbon monoxide! A jackdaw had had the brilliant idea of building a nest in the top of the chimney. It has been cleared and I have a bird proof chimney cowl to prevent it happening again. I probably won't be able to have the engineer check the heating before this Sunday, so it might be a bit chilly!
