Eco tip for September 2026

People's Emergency Briefing

On 27 November 2025, ten of the UK's leading experts briefed an invited audience of more than 1,200 politicians and leaders from business, culture, faith, sport and the media in Westminster.

The briefing set out the implications of climate and nature breakdown for health, food systems, national security and the economy, and did so on the public record.

Its purpose was to demonstrate what a clear, evidence-led National Emergency Briefing could look like and why it is needed.

The People's Emergency Briefing brings together people in local communities to hear the evidence and discuss how to respond. In Milton Keynes, the faith communities are

invited to a screening at the Church of Christ the Cornerstone, co-hosted by Churches Together in MK and the MK Eco Church Network.

Date for the Diary: 13th September, 2.00-4.00pm, Screening of the People's Emergency Briefing film, for the faith community at Christ the Cornerstone, followed by discussion.
