Collection for the Food Bank

In response to a specific request from Food Bank, during any given month we will endeavour to collect certain items rather than just lots of different things (Food Bank get given lots of baked beans – for instance). Suggestion list attached to email.
All the years we have supported Food Cupboard and now Food Bank, members of Christ Church have been very generous. Please do not feel you have to do this but it is part of our community outreach as a church.
Please place items in the grey box in the coffee lounge thank you. Regards Maggie

Thank you to everyone who contributed to our Harvest collection for the Food Bank last week.

Eco Tip for November

Take a moment to look at what you are wearing today. Do you ever wonder about who made your clothes? **With UK adults spending £162 billion on clothing each year and around 300 tonnes of clothing ending up in landfill or incinerated**, where we buy our clothes and how it impacts people and the planet is an issue of creation care and justice.

In the last week of October, the BMS World Mission produced an Ethical Fashion Guide and Brand Checker. Behind every label we wear are millions of people known to God: garment workers paid too little to live on, working long hours in unsafe conditions, with little power to challenge either. The Ethical Fashion Guide brings that reality into the light and shows what can be done about it. Because how we shop is a justice issue and lasting change depends on all of us, every purchase we make and every question we ask of the brands we buy from matters. In the guide, you'll find information on 336 brands that sell clothing and footwear in the UK.
